Group hijab styling in Schiedam with no travel fee

Sinem charges no travel fee for a group hijab appointment at home in Schiedam. Ask separately for the cost of styling your group.

What should you send?

List the number of people, the styles and who needs to leave first. If everyone has the same scarf, send one fabric photo with each person's preferred drape.

If part of the group is at another address

A group at one address needs a different schedule from two successive visits. If anyone is getting ready elsewhere, mention the change of location so you can agree on a workable order.
