Booking hijab and makeup in Utrecht

Message Sinem on WhatsApp with the date, your Utrecht neighbourhood and the time you need to be ready. State that you'd like both hijab styling and makeup so you can ask for the combined price.

Two useful photos

A picture of your dress with the scarf and a reference for makeup you like give a clear starting point. Mention whether you're booking as the bride or a guest.

Plan when to put on the dress

If the dress has a narrow neck and no full opening at the back, mention it when booking. You can then plan when to dress without disturbing your folds or makeup.
