Contacting a hijab stylist for a home visit in Utrecht

Reach Sinem for Utrecht through the WhatsApp button on the site or at sinemdesign@gmail.com. Include the date and the neighbourhood where you're getting ready.

A message you can adapt

"Hi Sinem, I'm a guest at a wedding on [date]. I'll be getting ready in Utrecht [neighbourhood] and need to be ready by [time]. Are you available for hijab styling and what would it cost?"

If you change the getting-ready address

Send an address change in the original WhatsApp conversation, with the date. Your chosen hijab style, appointment and new address will then be in one place.
