Which costs are involved in hijab styling at home in Utrecht?

For home hijab styling in Utrecht, the quote is for the services you agree on. Sinem adds no charge for the visit. If you have a veil to fit or want makeup as well, describe it in the same request. You can then check whether the quote covers your whole look.

Is an accessory included?

Show the piece you'd like to wear and say whether you already have it. Ask what's included in the quote so you know what you may need to provide.

Ask for two quotes if you are undecided

If you are deciding whether to do your own makeup, ask for the hijab styling price and the combined hijab and makeup price separately. Neither home appointment carries a travel fee.
