# How do I reserve home styling in Almere?

Message Sinem on WhatsApp with your date, Almere postcode, preferred hairstyle or hijab style and whether you would like makeup. Include the time everyone needs to be ready. She can then check the options for your appointment.

## Finding the right flat entrance

For a flat in Almere, include the full flat number and the name on the buzzer in your confirmation. If the building has more than one entrance, agree which door you'll meet Sinem at.
