Which bridal hairstyles can I use for inspiration?

Try a sleek low bun, half-up waves or a loose braid. Compare the side and back views, where you can see how the veil sits with the shape and fabric of the dress.

Look for an example in your own hair colour

Highlights can make every turn of a braid stand out. If your hair is one dark shade, look for the same braid in dark hair to see whether it’s the shape or the colour contrast that you love.
