Which occasion hairstyles can I have done at home?

For an occasion, you could discuss a sleek low bun, soft waves, a half-up style or a braid. Send a photo of your hair as it is and a reference for the look. This helps Sinem assess what can work with your length and texture.

A party style with statement earrings

To wear long earrings with your hair down, try pinning the front section behind one ear. Move as you would on the dance floor and check whether the earring swings freely without catching loose hair.
