What time can I request at-home styling in Eindhoven?

For an appointment in Eindhoven, send Sinem the date and the time you need to be ready. Mention an early start in the first message. She can then check whether that time is available at your address.

What exactly needs to happen at eight?

If your photos in Eindhoven start at eight, write “dressed and ready for photos at 8:00 am” in your enquiry. An 8:00 am styling start would give you a very different morning schedule.
